## “MOSAIC” HEALTH PLAN DESCRIPTION OF COVERS INCLUDED

### Dental Implantology and Prosthesis Area

For the descriptions and branch introductions please see the “Guide for Clients”. Please remember that (all) services within the Dental Area are refundable only if carried out at a healthcare facility belonging to the network recognised by the Fund. For all services pertaining to the dental area, submission of a preventive treatment plan is obligatory. All procedures will be carried out directly by the affiliated healthcare facility.

#### List of services

Service Code	Description	Time and/or quantitative limitations	Maximum Refund in €
<b>SECTION R. DENTISTRY SERVICES</b>			
<i>Implantology</i>			
2615	Osseointegrated implants (any type including zygomatic or pterygoid implants excluding mini-orthodontic implants or implants other than osseointegrated) per dental location	Refundable once per physical and nominal tooth location (regardless of the edentulous space to be rehabilitated). OBLIGATORY: PRE-TREATMENT: pre-treatment x-ray - Refund Stage post-treatment x-ray	€ 388.00
2616	Maxillary sinus lift (small or large) and/or horizontal and/or vertical alveolar crest expansion (any technique). Complete treatment including intraoral or extraoral autologous bone harvesting and any graft material - outpatient procedure - per hemiarch.	Refundable once per hemiarch. OBLIGATORY: PRE-TREATMENT - pre-treatment radiography - Refund Stage post-treatment radiography and detailed description of the operation	€ 550.00
<i>Fixed Prosthesis</i>			
2671	Polymer-coated, metal-free, ceramic-free permanent crown, certifiable as permanent material - per tooth/implant from 17 years of age	Refundable once every 5 years (ref. invoice) per tooth location regardless of material and age. OBLIGATORY: PRE-TREATMENT - pre-treatment radiography/intraoral photo - Refund Stage post-treatment radiography/intraoral photo	€ 140.00

2618	Permanent crown in biomedical alloy/resin/composite certifiable as permanent material (any type) - per tooth/implant from 17 years of age	Refundable once every 5 years (ref. invoice) per tooth location regardless of material and age. OBLIGATORY: PRE-TREATMENT - pre-treatment radiography/intraoral photo - Refund Stage post-treatment radiography/intraoral photo	€ 250.00
2619	Precious alloy and ceramic crown - metal-free crown (ceramic or integral/monolithic ceramic materials - cad/cam systems) per tooth/implant from 17 years of age	Refundable once every 5 years (ref. invoice) per tooth location regardless of material and age. OBLIGATORY: PRE-TREATMENT - pre-treatment radiography/intraoral photo - Refund Stage post-treatment radiography/intraoral photo	€ 261.00
2620	Provisional reinforced crown - per tooth/implant - from 17 years of age	Refundable once every 5 years (ref. invoice) per tooth location regardless of material and age. OBLIGATORY: Certification of Compliance at refund stage issued by the dental laboratory stating the ITCA number	€ 30.00
2672	Provisional crown in resin, direct or indirect - per tooth/implant - from 17 years of age	Refundable once every 5 years (ref. invoice) per tooth location regardless of material and age	€ 30.00
2622	Fused post and core in non-precious or precious alloy or ceramic - for natural tooth	Refundable once every 5 years (ref. invoice) per tooth location OBLIGATORY: Certification of Compliance at refund stage issued by the dental laboratory stating the ITCA number or certification by the dentist if in carbon fibre or glass ceramic	€ 64.00
2623	Core reconstruction with composite material, GIC, amalgam only for permanent natural teeth to be rehabilitated with prosthetic crowns (fixed prostheses) - per tooth from 17 years of age	Refundable once every 5 years (ref. invoice) per tooth location regardless of material and age. OBLIGATORY: PRE-TREATMENT - pre-treatment radiography/intraoral photo - Refund Stage post-treatment radiography/intraoral photo	€ 60.00
2624	Removal of crowns per single post. Not refundable in relation to requests for extractions or osteo-integrated implants or in intermediate bridge locations or for crown extensions	Refundable once every 5 years (ref. invoice) per tooth location	€ 17.00
2625	Repair of a single permanent prosthetic crown with ceramic or resin (only for teeth that have previously been fitted with complete, permanent prosthetic crowns - cannot be equated with prosthetic veneers)	Refundable once every 2 years (ref. invoice) per tooth (cannot be equated with prosthetic veneers or the repair of removable dentures). OBLIGATORY: PRE-TREATMENT - pre-treatment intraoral photo showing the individual prosthetic crown to be repaired.	€ 45.00

<i>Pedodontics - Fixed Prosthetics</i>			
30331	Reconstruction of core in composite material, gic, amalgam only for permanent natural teeth to be rehabilitated with prosthetic crowns (fixed prostheses due to pathology: amelogenesis or dentinogenesis imperfecta) - per tooth from age 12 to 16	Refundable once every 5 years (ref. invoice) per tooth location regardless of material and age. OBLIGATORY: PRE-TREATMENT - pre-treatment radiography/intraoral photo - Refund Stage post-treatment radiography/intraoral photo	€ 60.00
30332	Permanent prosthetic crown (complete crown - cannot be equated with prosthetic veneers) regardless of material used (complete crown) - regardless of method/technique - for durable reconstruction of compromised tooth and/or due to pathology: amelogenesis or dentinogenesis imperfecta - per tooth - from age 12 to 16	Refundable once every 5 years (ref. invoice) per tooth location regardless of material and age. OBLIGATORY: PRE-TREATMENT - pre-treatment radiography/intraoral photo - Refund Stage post-treatment radiography/intraoral photo	€ 261.00
30333	Provisional prosthetic crown (complete crown - cannot be equated with prosthetic veneers) regardless of material used - regardless of method/technique - per tooth - from age 12 to 16	Refundable once every 5 years (ref. invoice) per tooth location regardless of material and age. OBLIGATORY: PRE-TREATMENT - pre-treatment radiography/intraoral photo - Refund Stage post-treatment radiography/intraoral photo	€ 30.00
<i>Removable Dentures</i>			
2626	Removable partial dentures (non-precious or precious alloy structure, including teeth - for rehabilitating partially edentulous arches) - per arch	Refundable once every 5 years (ref. invoice) per arch. OBLIGATORY: Certification of Compliance at refund stage issued by the dental laboratory stating the ITCA number	€ 531.00
2627	Removable permanent partial denture, including clasps and teeth (unilateral partial edentulism) per hemiarch	Refundable once every 5 years (ref. invoice) per hemiarch, cannot overlap with other permanent partial rehabilitation (any type) per arch. OBLIGATORY: Certification of Compliance at refund stage issued by the dental laboratory stating the ITCA number	€ 300.00
2628	Removable provisional partial denture, including clasps and teeth (unilateral partial edentulism) per hemiarch	Refundable once every 5 years (ref. invoice) per hemiarch, cannot overlap with other provisional partial rehabilitation (any type) per arch. OBLIGATORY: Certification of Compliance at refund stage issued by the dental laboratory stating the ITCA number	€ 99.00

2674	Removable permanent partial denture, including clasps and teeth (bilateral partial edentulism) per arch	Refundable once every 5 years (ref. invoice) per hemiarch, cannot overlap with other permanent partial rehabilitation (any type) per arch. OBLIGATORY: Certification of Compliance at refund stage issued by the dental laboratory stating the ITCA number	€ 600.00
2675	Removable provisional partial denture, including clasps and teeth (bilateral partial edentulism) per arch	Refundable once every 5 years (ref. invoice) per hemiarch, cannot overlap with other provisional partial rehabilitation (any type) per arch. OBLIGATORY: Certification of Compliance at refund stage issued by the dental laboratory stating the ITCA number	€ 198.00
2629	Removable permanent total denture with resin or ceramic teeth (per arch) - cannot be combined with a permanent prosthesis such as a bar-anchored overdenture/permanent prosthesis	Refundable once every 5 years (ref. invoice) per arch regardless of the type of permanent total denture. OBLIGATORY: Certification of Compliance at refund stage issued by the dental laboratory stating the ITCA number	€ 715.00
30305	Bar-anchored removable total denture (including bar and retainers) supported by implants - per arch	Refundable once every 5 years (ref. invoice) per arch regardless of the type of permanent total denture. OBLIGATORY: Certification of Compliance at refund stage issued by the dental laboratory stating the ITCA number	€ 715.00
2630	Removable provisional immediate total denture (per arch)	Refundable once every 5 years (ref. invoice) per arch regardless of the type of provisional total denture.	€ 240.00
2631	Relining of removable dentures, per arch - indirect system	Refundable once a year (ref. invoice) per arch, cannot overlap with another type of relining. OBLIGATORY: Certification of Compliance at refund stage issued by the dental laboratory stating the ITCA number	€ 90.00
2633	Single precision attachment in non-precious or precious alloy of any type, maximum 1 precision attachment per hemiarch (complete male-female components) only for prosthetic teeth with permanent prosthetic crown (attachment on crowns - last crown plus mesial or distal rest to edentulous saddle) or for telescopic prostheses on natural teeth. Not refundable for implants and cannot be combined with <b>post and core, core</b> reconstruction or anchored reconstruction	Refundable once every 5 years (ref. invoice). OBLIGATORY: Certification of Compliance at refund stage issued by the dental laboratory stating the ITCA number	€ 64.00
2647	Relining of removable dentures, per arch - direct system	Refundable once a year (ref. invoice) per arch, cannot overlap with another type of relining	€ 70.00
