“MOSAIC” HEALTH PLAN DESCRIPTION OF COVERS INCLUDED

Basic Dental Area

For the descriptions and branch introductions please see the “Guide for Clients”. Please remember that (all) services within the Dental Area are refundable only if carried out at a healthcare facility belonging to the network recognised by the Fund. For all services pertaining to the dental area, submission of a preventive treatment plan is obligatory. All procedures will be carried out directly by the affiliated healthcare facility.

List of services

Service Code	Description	Time and/or quantitative limitations	Maximum Refund in €
SECTION R. DENTISTRY SERVICES

2655	CYSTS OF THE JAW, OPERATION FOR	Outpatient service available only at selected dental facilities. OBLIGATORY: Pre-treatment picture showing the presence of the cyst or intraoral image in the event of diagnosis after suppuration	€ 1000.00

2658	SMALL ENDOSSEOUS NEOPLASMS (OSTEOMAS, CEMENTOMAS, ODONTOMAS, PALATINE AND MANDIBULAR TORUS), EXCISIONS OF	Outpatient service available only at selected dental facilities. OBLIGATORY: PRE-TREATMENT: Pre-treatment picture showing the presence of the neoplasm. POST-TREATMENT: statement by the treating dentist specifying the type of endosseous neoplasm removed.	€ 1000.00
2659	CIRCUMSCRIBED OSTEITIS OF THE JAWS, TREATMENT OF	Outpatient service available only at selected dental facilities. OBLIGATORY: PRE-TREATMENT: Pre-treatment picture showing the presence of the inflammatory pathology that affected the bone	€ 850.00
2661	MAXILLARY SINUS, OPENING FOR ALVEOLAR PROCESS	Outpatient service available only at selected dental facilities. Not refundable in the same quarter as "Maxillary sinus lift and/or vertical or alveolar ridge expansion". Not refundable in conjunction with "Insertion of biocompatible material" and "Bone or cartilage graft" codes. The service includes the grafting/insertion of material (biocompatible, bone or cartilage). OBLIGATORY: PRE-TREATMENT: OPT or Dentascan or pre-operative cone beam tomography. POST-TREATMENT: Post-operative OPT or Intra-operative photo. Detailed description of the operation carried out	€ 500.00
2662	BONE OR CARTILAGE GRAFT	Outpatient service available only at selected dental facilities. Not refundable in conjunction with items "Maxillary sinus, opening for alveolar process" and/or "Maxillary sinus lift and/or vertical or horizontal expansion of alveolar ridge" and/or "Insertion of biocompatible material" (and in all cases not refundable during the same three-month period in which biocompatible material is inserted). The item is inclusive of all phases of the surgery (harvesting and grafting). OBLIGATORY: POST-TREATMENT: Statement by the treating dentist specifying the purpose of the treatment, the procedure, the type of biomaterial grafted and any batch.	€ 1,800.00

<i>Conservative</i>			
2602	Direct-indirect pulp capping - per permanent tooth - from 17 years of age	Refundable once every 3 years (ref. invoice) regardless of age and regardless of whether deciduous or permanent)	€ 31.00
2650	Filling of cavities, class 1a – 3a – 5a - any material - per permanent tooth - from 17 years of age	Refundable once every 3 years (ref. invoice) regardless of age, class or whether deciduous or permanent	€ 35.00
2667	Filling of cavities, class 2a - 4a - any material - per permanent tooth - from 17 years of age	Refundable once every 3 years (ref. invoice) regardless of age, class or whether deciduous or permanent	€ 45.00
2603	Inlay in integral precious alloy (gold) or ceramic inlay or overlay including build up and temporary per permanent tooth - Indirect - from 17 years of age	Refundable once every 5 years (ref. invoice) per tooth location regardless of material and age. OBLIGATORY: Certification of Compliance at refund stage issued by the dental laboratory stating the ITCA number	€ 179.00
2632	Inlay in resin or cad cam composite - inlay or onlay including build up and temporary - per permanent tooth - direct/indirect - from 17 years of age	Refundable once every 5 years (ref. invoice) per tooth location regardless of material and age. OBLIGATORY: Certification of Compliance at refund stage issued by the dental technician's laboratory stating the ITCA number. If the product is made with CAD/CAM technique, also a copy of the batch of material used in its construction	€ 179.00
2609	Tooth reconstruction with screw or post anchoring of deciduous or permanent devitalized teeth (concurrently or previously treated) per tooth from 17 years of age	Refundable once every 3 years (ref. invoice) regardless of age and regardless of whether deciduous or permanent)	€ 55.00
<i>Endodontics</i>			
2610	Complete root canal treatment of 1 canal (including any type of filling) including pre-endodontic coronal reconstruction - per permanent tooth - including endoral x-rays	Refundable once per tooth, which cannot overlap with other root canal treatments or endodontic re-treatments	€ 82.00
2611	Complete root canal treatment of 2 canals (including any type of filling) including pre-endodontic coronal reconstruction - per permanent tooth - including endoral x-rays	Refundable once per tooth, which cannot overlap with other root canal treatments or endodontic re-treatments	€ 101.00
2612	Complete root canal treatment of 3 or more canals (including any type of filling) including pre-endodontic coronal reconstruction - per permanent tooth - including endoral x-rays	Refundable once per tooth, which cannot overlap with other root canal treatments or endodontic re-treatments	€ 126.00
2613	Pulpotomy and filling of the pulp chamber or pulpectomy and temporary filling for any number of canals - per permanent tooth - including endoral x-rays	Refundable once per tooth	€ 50.00
2614	Endodontic re-treatment of tooth with 1 canal (including any type of filling of the access cavity, including any removal of intracanal pins) per permanent tooth including endoral x-rays	Refundable once per tooth, which cannot overlap with other root canal treatments or endodontic re-treatments	€ 50.00

2668	Endodontic re-treatment of tooth with 2 canals (including any type of filling of the access cavity, including any removal of intracanal pins) per permanent tooth including endoral x-rays	Refundable once per tooth, which cannot overlap with other root canal treatments or endodontic re-treatments	€ 100.00
2669	Endodontic re-treatment of tooth with 3 or more canals (including any type of filling of the access cavity, including any removal of intracanal pins) per permanent tooth including endoral x-rays	Refundable once per tooth, which cannot overlap with other root canal treatments or endodontic re-treatments	€ 150.00
Gnathology			
2634	Partial or total selective grinding, maximum 1 session (regardless of arch) - from 17 years of age	Refundable once a year (ref. invoice) regardless of age	€ 39.00
2635	Diagnostic plate or orthotic or bite - indirect system - regardless of arch and not refundable in the same year as the dental treatment or in the presence of 2 total prostheses in the 2 arches - from 21 years of age	Refundable once every 2 years (ref. invoice) regardless of arch, method and age. OBLIGATORY: Certification of Compliance at refund stage issued by the dental technician's laboratory stating the ITCA number.	€ 193.00
2648	Diagnostic plate or orthotic or bite - direct system - regardless of arch and not refundable in the same year as the dental treatment or in the presence of 2 total prostheses in the 2 arches from 21 years of age	Refundable once every 2 years (ref. invoice) regardless of arch, method and age.	€ 116.00
Dental Radiology			
2637	Orthopantomography of the two arches	Refundable twice a year (1 January - 31 December).	€ 27.00
2638	Telecranium (any number of projections)	Refundable twice a year (1 January - 31 December).	€ 37.00
2649	Endoral X-rays/Bite Wings	Refunds are available for a maximum of 1 pre-treatment endoral and 1 post-treatment endoral together with the codes relevant to them up to a maximum of 6 endorals/bite wings per year (1 January - 31 December)	€ 4.00
2651	Intraoral photo or video - from 17 years of age	Refunds are available for a maximum of 1 pre-treatment and 1 post-treatment photo together with the codes relevant to them up to a maximum of 6 photos per year (1 January - 31 December) regardless of age	€ 4.00
2663	Dentascan or cone beam volumetric tomography: 1 arch	OBLIGATORY: It is obligatory at the refund stage to submit the Panorex image on which the date carried out is shown	€ 123.00
2664	Dentascan or cone beam volumetric tomography: 2 arches	OBLIGATORY: It is obligatory at the refund stage to submit the Panorex image on which the date carried out is shown	€ 169.00
Pedodontics - Periodontology			
30311	Gingival surgery per arch (including any type of flap - including suture) - up to 16 years of age	Refundable once every 5 years (ref. invoice) for the same arch (regardless of age)	€ 155.00
30312	Mucogingival or fornix lowering surgery, per arch (including any type of flap - including suture) - from 16 years of age	Refundable once every 5 years (ref. invoice) for the same arch (regardless of age)	€ 235.00
30313	Bone surgery (including any type of access flap - including suture) complete treatment per hemiarch - up to 16 years of age	Refundable once every 5 years (ref. invoice) for the same hemiarch (regardless of age)	€ 260.00
30314	Gengivectomy as a single service - per hemiarch - up to 16 years of age	Refundable once every 5 years (ref. invoice) for the same hemiarch (regardless of age)	€ 69.00

30315	Root planing and gingival curettage (regardless of the number of hemiarches treated) - up to 16 years of age	Refundable once every 2 years (ref. invoice) (regardless of age)	€ 76.00
Pedodontics - Oral Surgery			
30317	Disinclusion of retained teeth per tooth (including orthodontic services for anchorage) - up to 20 years of age	Refundable once per tooth. OBLIGATORY: pre-treatment X-ray showing the tooth to be disincluded	€ 55.00
30318	Extraction of a tooth or a simple or complex root of a deciduous tooth (including any sutures and sedation)	Refundable once per tooth	€ 34.00
30319	Germectomy (including all surgical stages and activities including mucogingival flap and/or osteotomy and/or odontotomy - sutures and sedation - excluding sedation with nitrous oxide) up to 16 years of age	Refundable once per tooth location. OBLIGATORY: pre-treatment x-ray - Refund Stage post-treatment x-ray	€ 80.00
30320	Frenulotomy or frenulectomy per arch - up to 16 years of age	Refundable once per arch regardless of age	€ 80.00
30321	Small surgical operations on abscesses - up to 16 years of age	Refundable once per case (regardless of the number). OBLIGATORY: Intraoral photo of treated abscess at the refund stage	€ 80.00
Pedodontics - Conservative			
30322	Direct-indirect - deciduous or permanent - pulp capping - per tooth - up to 16 years of age	Refundable once every 3 years (ref. invoice) regardless of age and regardless of whether deciduous or permanent)	€ 31.00
30323	Inlay per deciduous/permanent tooth - regardless of material/method/technique - inlay or onlay or overlay including build-up and temporary - per deciduous/permanent tooth - direct/indirect regardless of the number of surfaces - up to 16 years of age	Refundable once every 5 years per tooth location regardless of material and age. OBLIGATORY: Certification of Compliance at refund stage issued by the dental technician's laboratory stating the ITCA number. If the product is made with CAD/CAM technique, also a copy of the batch of material used in its construction	€ 179.00
30324	Filling of any cavities, class 1 - 2 - 3 - 4 - 5 - any material - per permanent tooth up to 16 years of age	Refundable once every 3 years (ref. invoice) regardless of age, class or whether deciduous or permanent	€ 45.00
30325	Filling of deciduous tooth (any class - any material - refundable once every 3 years in the same tooth regardless of whether it is deciduous or permanent)	Refundable once every 3 years (ref. invoice) regardless of age, class or whether deciduous or permanent	€ 35.00
30326	Tooth reconstruction with screw or post anchoring of deciduous or permanent devitalized teeth (concurrently or previously treated) per tooth up to 16 years of age	Refundable once every 3 years (ref. invoice) regardless of age and regardless of whether deciduous or permanent)	€ 55.00
Pedodontics - Endodontics			
30327	Complete root canal treatment of deciduous tooth 1 canal (including any type of filling) including pre-endodontic coronal reconstruction - per tooth - including endoral x-rays	Refundable once per tooth, which cannot overlap with other root canal treatments or endodontic re-treatments	€ 82.00
30328	Complete root canal treatment of multi-root deciduous tooth - 2 or more canals (regardless of the number of canals) including any type of filling and including pre-endodontic coronal reconstruction - per tooth - including endoral x-rays	Refundable once per tooth, which cannot overlap with other root canal treatments or endodontic re-treatments	€ 101.00
30329	Pulpotomy and filling of the pulp chamber or pulpectomy and temporary filling for any number of canals - per deciduous tooth - including endoral x-rays	Refundable once per tooth	€ 50.00
30330	Endodontic re-treatment of deciduous tooth regardless of the number of canals (including any type of filling of the access cavity, including any removal of intracanal pins) per tooth including endoral x-rays	Refundable once per tooth, which cannot overlap with other root canal treatments or endodontic re-treatments	€ 50.00

<i>Pedodontics - Gnathology</i>			
30335	Partial or total selective grinding, maximum 1 session (regardless of arch) - up to 16 years of age	Refundable once a year (ref. invoice) regardless of age	€ 39.00
30336	Bite or orthotic appliance - regardless of arch - direct or indirect system - not refundable in association with and/or in the same year as dental treatment (any technique and/or methodology) or retainer - up to 20 years of age	Refundable once every 2 years (ref. invoice) regardless of arch, method and age	€ 193.00
<i>Pedodontics - Orthodontics</i>			
30307	Orthodontic therapy with fixed appliances per arch per year, including cephalometric analysis	Refundable once a year (1 January - 31 December), for a maximum of 3 years, also not consecutive, up to 20 years of age. Cannot overlap with other dental treatment items during the year. OBLIGATORY: PRE-TREATMENT - per year of treatment with telecranium or photo of pre-treatment "bite/reverse bite" - Refund Phase per year of treatment - telecranium o photo of models in occlusion	€ 400.00
30308	Orthodontic therapy with mobile/functional appliances per arch per year, including cephalometric analysis	Refundable once a year (1 January - 31 December), for a maximum of 3 years, also not consecutive, up to 20 years of age. Cannot overlap with other dental treatment items during the year. OBLIGATORY: PRE-TREATMENT - per year of treatment with telecranium or photo of pre-treatment "bite/reverse bite" - Refund Phase per year of treatment - telecranium o photo of models in occlusion	€ 400.00
30309	Orthodontic therapy with invisible appliances (any type/material) per arch - per year - including cephalometric analysis	Refundable once a year (1 January - 31 December), for a maximum of 3 years, also not consecutive, up to 20 years of age. Cannot overlap with other dental treatment items during the year. OBLIGATORY: PRE-TREATMENT - per year of treatment with telecranium or photo of pre-treatment "bite/reverse bite" - Refund Phase per year of treatment - telecranium o photo of models in occlusion	€ 400.00

30310	Orthodontic maintenance therapy with fixed or mobile retainer regardless of the number of arches	Refundable for maximum 1 year (1 January - 31 December) within a maximum of 3 years of treatment recognised for refund and in any case by and not beyond 20 years of age. Cannot overlap with other dental treatment items during the year. Refunds for retainers preclude subsequent refunds of items related to orthodontic treatment (regardless of arch), even if not all years of the	€ 400.00
-------	--	--	----------

		<p>maximum refund period have been used.</p> <p>OBLIGATORY: PRE TREATMENT Intraoral photo of the retainer in position - Refund Stage - Telecranium o Intraoral photo of the finished treatment (if finished) or Intraoral photo of the retainer in position (different from the pre-treatment one)</p>	
<i>Pedodontics - Pedodontic Radiology</i>			
2652	Photo of reverse bite and/or photo of models in occlusion (only in relation to codes in the Orthodontics section regardless of the number of arches treated - regardless of the type of treatment).	<p>Refunds are available for 1 photo of the “bite/reverse bite” or pre-treatment models in occlusion per year and 1 post-treatment per year only together with Orthodontic Therapy up to a maximum of 6 photos per year.</p> <p>OBLIGATORY: PRE-TREATMENT - services must be claimed together with the codes that relate to them. Refund stage: submission of the requested images (must be requested together with the codes that relate to them also at the refund stage)</p>	€ 4.00
